The Middiette

Foreword

"The aim of education is to enable a man to continue his learning." (John Dewey)

The modern world is moving at a more rapid pace than ever before. Each day brings new inventions and new scientific discoveries; the frontiers of learning are constantly being pushed back. If one is to keep abreast of the times in our educated society, his learning must never cease. It is essential that formal education "enable a man to continue his learning" in this day and age. That, in essence, is the aim of the high school. Today's learning at MHS should be a preparation for the learning of tomorrow. The MIDDIETTE is a living record of your progression in the learning of today, the learning at MHS during the 1959-1960 school year. It is your book; you made it. We seek only to preserve your memories through these words and pictures.

Dedication

Because you have dedicated your life to youth,

Because you have always been there when we needed you,

Because you have understood our problems and helped to prepare us for the years ahead,

Because you have made possible many of the endeavors of this class through your untiring efforts,

Because you have made this, our final year of high school, our happiest and most memorable year,

We, the 1960 Senior class of Middlebury High School, do proudly dedicate this issue of the MIDDIETTE to you, our sponsors, Miss Mary Hoover and Mr. Wallace Shellenberger.

Class History

[illegible], 1949, fifty eager looking boys and girls entered their first year of school at M.H.S. [illegible], were in that first grade class, which was taught by Mrs. Oesch and Mrs. [illegible].

[illegible] in the elementary grades were as follows: second grade, Mrs. Valentine and Mrs. Oesch; third grade, Mrs. Sprunger and Mrs. Copp; fourth grade, Mrs. Copp; fifth grade, Mr. Thiessen and Mrs. Bontrager; and sixth grade, Mr. Hoover and Mrs. Bontrager. At the end of the sixth grade our membership had dropped to 44.

Our first year in junior high, in 1954, was the most exciting because it was so completely different from grade school. We also added five new members.

When we entered high school, there were five new members from York Township; they were: Keith Vincent, Carole Schrock, Carl Faber, Shirley Weitz, and Tom Mosier.

During our sophomore year we chose our class rings, and at the beginning of our junior year we ordered our sweaters; we received both in our junior year. We also started to have bake sales, car washes, and our magazine sales, plus many other projects. In the latter part of April we gave the play "Finders Creepers." Then on May 19 we went to Potawatomi Inn for our Junior-Senior Banquet. We carried out the theme, "Rainbow Garden."

Then the final year, which was the most exciting of all, came - we were seniors. In October we presented the play "Mountain Ga..." One thing we looked forward to most of all was our senior trip. We spent four exciting and interesting days in New York City. Finally the time came for Baccalaureate on May 22 and Commencement exercises on May 26 which were held in the high school gymnasium. Fifteen of the seniors attended M.H.S. all 12 years.
